Each team will play games every weekend under the guidance and instruction of an outstanding

coach. Students who have participated in other leagues and camps are also welcome. Full lacrosse equipment is required for this program. Very Important Champion Lacrosse reserves the right to refund or move any player who is not able to compete in the league. Our challenge is to provide a highly competitive environment for everyone. We do not allow middle schoolers to play up in the JV division or JV players to play in the varsity division. Every roster will be filled to about 25 players. Our significant experience shows that at least 25 team members are required to guarantee a full game every week. We pledge to provide you the highest level of customer service and the very best summer league anywhere. Check our web site often for the latest information.
